SECONDARY SCIENCE TEACHER VACANCY

TICSD seeks highly qualified applicants for a Secondary Science Teacher with certification in one or more of the following areas: Physics, Chemistry, Living Environment, and Earth Science. While multiple/dual certifications are not required, preference may be given to those with coursework, concentration, or certifications in, but not limited to, Chemistry, Physics, Engineering and/or Special Education. Applicants must be passionate about teaching and learning at all levels from General Science to College/Advanced Placement level, familiar with Google Suite, versed in the standards and expectations for success on the NYS Regents, and have a commitment to lifelong learning. The District seeks professionals who are excited about immersing themselves into the school community in ways such as coaching, advising clubs, providing additional academic support outside daily instruction, and are progressive in instructional practice.

Letter of interest and resume should be submitted to the District Office, Attn: Superintendent Bashaw.
